

INTERNATIONAL TEXTILE MANUFACTURERS FEDERATION
FEDERATION INTERNATIONALE DES INDUSTRIES TEXTILES
INTERNATIONALE VEREINIGUNG DER TEXTILINDUSTRIE

Mission Statement

The International Textile Manufacturers Federation (ITMF) is the international forum of the global textile industry.

Its **members** are companies and associations from the textile and allied industries.

The mission of ITMF is to:

- **Connect** its members by providing meeting grounds to strengthen relations along the entire textile value chain from fiber to fashion,
- **Inform** its members by collecting, analyzing and distributing relevant data and by providing neutral forums for discussions and the exchange of best practices,
- **Represent** the textile industry towards governments, intergovernmental organizations (IGOs), and non-governmental organizations (NGOs) by actively participating in discussions about the evolution of the industry.
