Due to uncertain and unpredictable international travel and event restrictions related to the new COVID-19 variant 'Omicron', the International Textile Manufacturers Federation (ITMF) has postponed the applications for two ITMF Awards 2022— Sustainability & Innovation and International Cooperation, from January 29, 2022 to April 30, 2022.

ITMF Annual Conference has also been postponed from April 10-12 to September 18-20, 2022, ITMF said in a press release.

ITMF is an international forum for the world's textile and related industries founded in 1904. ITMF members are associations and companies covering the entire textile value chain – producers of fibres, textile machinery, chemicals, textiles, apparel, and home textiles. The membership is from more than 40 countries and represents around 90 per cent of global production.
