Mr. Christian Schindler, Director General of ITMF: “ITMF is delighted to welcome TESTEX as its latest member. Testing and certifying is an integral part of the textile value chain. It is important for ITMF to have TESTEX actively participate in ITMF. This step does not only strengthen ITMF’s position as a unique international platform for the global textile value chain, it also helps ITMF and its members to discuss topics related to testing and certification in close partnership with the leading testing and certifying organization”.

Mr. Marc Sidler, Group CMO of TESTEX: “By becoming a member of ITMF, TESTEX is joining an organisation that brings together the entire textile value chain from fibre producers to manufacturers of garments and home textiles. Having access to the ITMF’s publications, statistics, and surveys as well as events like workshops, conferences, and webinars enables us to better understand the global dynamics of the textile value chain as well as to strengthen the network with associations and companies around the world.”
