RSWM Ltd. Joins ITMF as Corporate Member, Strengthening Global Textile Leadership

RSWM Ltd., the flagship company of India's renowned LNJ Bhilwara Group and one of the country's top textile manufacturers and exporters, has officially joined the International Textile Manufacturers Federation (ITMF) as a Corporate Member. Known for its production of synthetic, cotton, and blended yarns along with knitted and denim fabrics, RSWM Ltd. exports to over 70 countries worldwide.

Welcoming RSWM to the federation, **K.V. Srinivasan**, President of ITMF, stated that RSWM's extensive expertise in textile manufacturing will significantly contribute to the collective knowledge within ITMF. He highlighted the federation's role as a unique global platform for information sharing, industry discussions, and strategic networking. Srinivasan further added that RSWM will benefit from ITMF's vast range of services including market statistics, research reports, insightful webinars, and various networking events.

Rajeev Gupta, Joint Managing Director of RSWM Ltd., expressed pride in joining ITMF, emphasizing that this partnership aligns with RSWM's commitment to sustainable practices, innovation, and global collaboration. He noted that the association will open new avenues for exchanging ideas and best practices, driving excellence across the global textile value chain.

This collaboration underscores RSWM's dedication to advancing sustainability, innovation, and responsible leadership while reinforcing India's strong presence in the international textile landscape.
